**FOR IMMEDIATE RELEASE**  
March 26, 2010

## **Subcontractor and Supplier Information Meeting for New Porterville Courthouse Project**

**What:** A meeting for potential construction subcontractors and suppliers interested in bidding to Sundt Construction, Inc., the construction-manager-at-risk for the New Porterville Courthouse Project, will be held to provide information on the prequalification and bidding processes, timeline, scope, schedule, and other specifics and requirements. Construction is scheduled to be completed early 2013.

**When:** Wednesday, March 31, 2010, 1 pm to 3 pm

**Where:** Porterville City Hall, City Council Chambers, 291 N. Main Street, Porterville, CA 93257

**Who:** Members of Sundt's project team will provide information and answer questions on project scope, schedule, the prequalification process, local participation, bidding, insurance, bonds, DVBE requirements, and subcontracting with Sundt. Subcontractors and suppliers interested in receiving a bid package list, further project updates, or with specific questions can contact Sundt through:

Tom Camden, Senior Estimator

Sundt Construction, Inc., 2860 Gateway Oaks Drive, Suite 300, Sacramento, CA 95833

Phone: (916) 830-8075 Fax: (916) 830-8015 Email: [tcamden@sundt.com](mailto:tcamden@sundt.com)

Sundt Subcontractor Prequalification enrollment is through: [subqual-llc.com](http://subqual-llc.com)

**Why:** As construction-manager-at-risk under contract to the Administrative Office of the Courts (AOC) for the New Porterville Courthouse project, Sundt is performing outreach to ensure that local subcontractors have the information needed to enable them to participate in the prequalification process for work on this project, with a construction cost of approximately \$61 million, to build a new, four-story building (including below-grade basement) that will house nine courtrooms in approximately 95,000 square feet, at 300 East Olive Avenue. The 7.4 acre site is to be cleared of existing structures, underground utilities, and paving. Site development includes demolition, site preparation, underground utilities, landscape, hardscape, vehicular drives, surface parking, security barriers, fencing, and gates. Construction includes building structure, enclosure, interior improvements, mechanical, electrical, telecommunication, audio visual, and security systems. Installation of interior furniture, furnishings, and fixtures will be performed under a separate, concurrent contract.
